A fax bulletin for the Molina Healthcare of Washington Provider Network

## **Newborn Administrative Day Rate Effective October 1, 2022 (Medicaid)**

Molina Healthcare is excited to inform you of a new service to support mothers with pregnancies complicated by drug use, and their newborns with hospital administrative days. This additional mom/baby time will help to support education around feeding, sleeping and consoling.

For information regarding coverage of Newborn Administrative Days please see WAC criteria (WAC 182-55-4550) here: <https://app.leg.wa.gov/wac/default.aspx?cite=182-550-4550>

The Health Care Authority (HCA) Inpatient Billing Guide will be updated with additional details on 10/1/2022.

Please look for further communications with additional language regarding the Newborn Administrative Day Rate and links to the updated Molina Medicaid Provider Manual and HCA Inpatient Billing Guide.

**Thank you for serving Molina members.**
